

Campus Helper APP

Team: Clover4

Members: 陈绍祥 詹济源
朱东升 朱天乐

What can this app do?

❖ Take your schedule of classes with you

- know your arrangements at any time

❖ Easy to find a spare classroom

- information is clear
- recommend closest ones for you

❖ All of today's events

- sense your location
- never miss any exciting activities

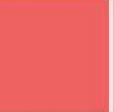

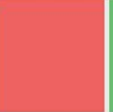

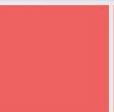

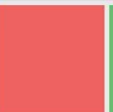

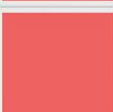

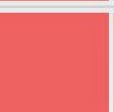

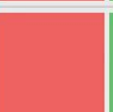

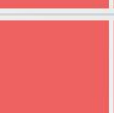

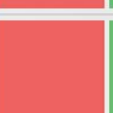

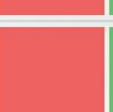

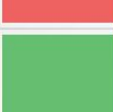

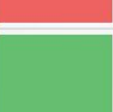

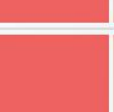

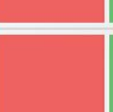

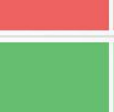

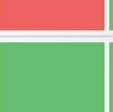

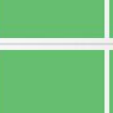

find spare classrooms
with a single touch

这些可能是离你比较近的空教室~

If you turn on
GPS

Top 3 closest buildings
are recommended

Here you can view
all of today's events

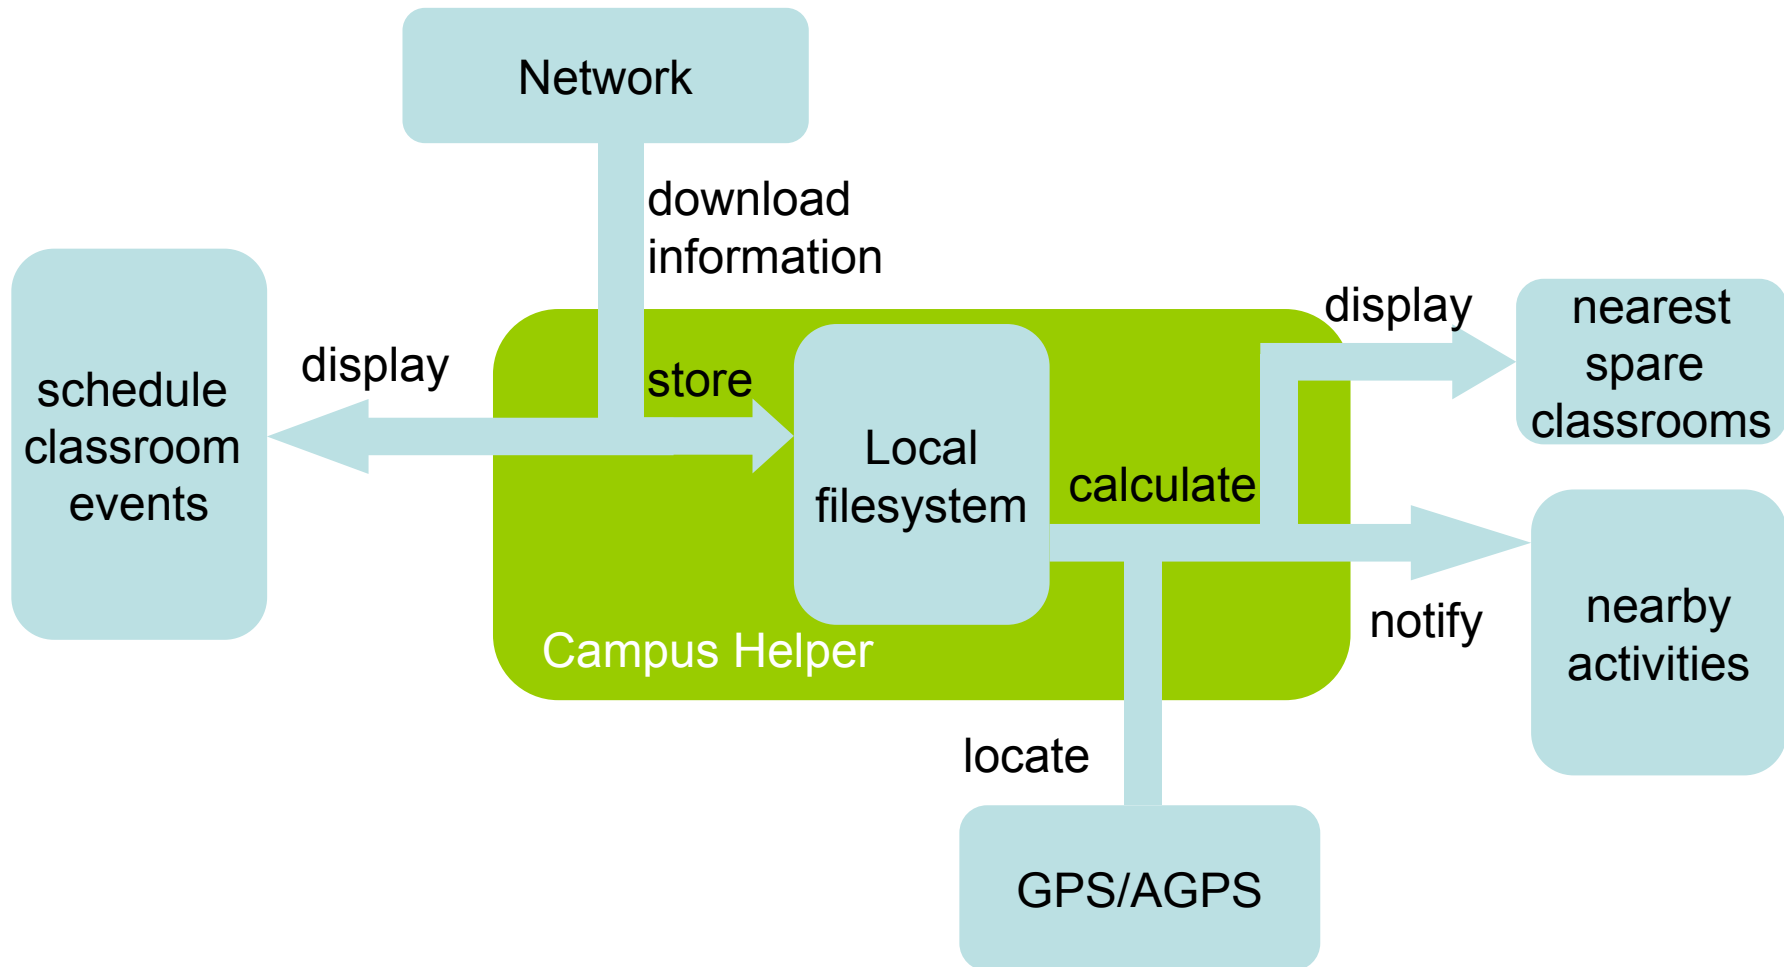

If you turn on
GPS

and when you are
passing by a building

you'll be notified with
the activities nearby
(lecture, show, etc)

How does it work?

thanks!
